

Taylor School District Alumni Association
Meeting September 15, 2009

Meeting was called to order by President Caroline Patts at the Taylor Board Office at 6:41 PM. Also in attendance: Mary Rusnak, John Pantalone, Sheri Engelbrink, Monica King, and Nancy Mascaro-Miller. Minutes of June 9th meeting were read and accepted—John/Sheri. Nancy presented the Treasurer's Report—our balance is \$6,236.31—accepted Sheri/Mary.

Mary presented report on shirts. We still are discussing what logo we want; liked the khaki golf shirt idea. Many felt that a golf shirt would be more accepted than a T-shirt style. Sandy will check with Key West concerning discount participation as we have not received a letter from them.

Mayor Priebe has established a Commission for a TC Memorial at the TC site. There will be a Park and the Ram marker will be used. Some Alumni have expressed an interest in planting a tree In Memoriam of Alumni—we also discussed bricks for walks and benches. Caroline is going to Wareing to check Alumni Memorabilia Room.

Next Alumni Social is October 2, 6:30 PM at Keefer's. We chose the date to correspond with Kennedy/Truman Homecomings. Some E-mails received were unhappy with the date; felt we should correspond to upcoming Reunions. Mary has some Kennedy Composites she wants to sell at the Social.

John would like to know the number of people who paid \$20 who no longer are members. He believes we would be further ahead if we allowed them to pay only an additional \$5 to be Lifetime Members.

John is receiving many E-mails concerning Fundraisers—we must be careful not to involve ourselves in anything other than events that benefit the Taylor Schools.

What to do with old directories—1996, 2003?????

Adjournment at 7:50 PM—next meeting October 13 Sheri/Mary

Respectfully submitted,
Sandy Kyte
